Student Behavior Policies:

Sanctuary staff have three important guidelines for student behavior: **work hard, be nice, and have a good attitude**. We work constantly with our children to help them improve their behavior, and we are asking for parent and family support as well. Students who demonstrate these three actions will earn the ability to attend field trips and will earn bracelets to spend in the "store". Students who repeatedly disregard these guidelines, despite redirection by staff, are subject to receiving a day off from the after-school program, at the director's discretion. If the behavior continues after multiple days off, the student could face removal from the program, at the director's discretion.

Application is NOT considered complete unless signed below to indicate agreement with all of the above. Please make sure you have read this application carefully.
